Level 6 Certificate in Working Effectively with Deafblind Manual and Visual Frame Signers

601/7078/5

Sept 2016 – Aug 2017

QUALIFICATION SPECIFICATION

Signature Level 6 Certificate in Working Effectively with Deafblind Manual and Visual Frame and Hands On Signers

(QAN: 601/7078/5)

(Signature Qualification Reference: DMVFHO6)

Qualification aim

The aim of the qualification is to enable learners to use knowledge and skills already obtained from previous qualifications and through experience, to be able to work effectively, interpreting for deafblind people who use Deafblind Manual and Visual Frame and Hands On. Working in a variety of everyday settings including: conversations, socialising, educational, personal, employment (Access to Work).

Qualification objectives

This qualification will provide learners with both the technical skills and strategies to be able to communicate with and interpret effectively for users of Deafblind Manual and Visual Frame and Hands on as well as the knowledge and skills involved with making language accessible to deafblind people. This will include and further develop understanding of ways to make the language and information accessible while maintaining meaning and an awareness of the use of additional communication methods to convey this meaning.

Qualification structure

The qualification is divided into three units each of which will be assessed separately. Although assessments can be taken straight after each unit has been taught, Signature suggests that **all** assessments are best taken at the end of the course when all teaching is complete.

Signature Unit Code	RQF Unit Number	Unit Title	Assessment	Unit Details
DM601	L/507/5948	Producing and Receiving Deafblind Manual	Internally assessed Portfolio	See Unit DM601 Specification
VFHO602	J/507/6063	Using Visual Frame and Hands On Signing	Internally assessed Portfolio	See Unit VFHO602 Specification
MOD603	R/507/5949	Modifying Language for Deafblind People	Internally assessed Portfolio	See Unit MOD603 Specification

Delivery and Contact Hours

Guided Learning Hours

The certificate has a credit value of 22 and 220 hours of learning time in total. The recommended guided learning hours is **100** in total as shown in the table below. The guided learning hours of 100 is the time the learner is timetabled for face to face contact with the centre and should include:

- Classroom based teaching
- Individual or group tutorials
- Feedback or observed practice

Unit	Guided learning hours (GLH)	Additional study hours	Total learning time	Credit value at Level 6
DM601	60	20	80	8
VFHO602	60	20	80	8
MOD603	40	20	60	6
TOTAL	160	60	220	22 Credits

Essential requirements

In order to be entered for this course leading to this qualification, learners must be able to demonstrate competence at Level 3 Deafblind Manual and Visual Frame and Hands On, or equivalent. It is the responsibility of the centre to ensure these requirements have been met before accepting a learner on the course. Learners should be assessed at their induction for the skills required.

Recommendations

It is recommended that learners have a qualification or equivalent skills showing sound knowledge and command of English.

Centre Resources

Centres wishing to offer this qualification should ensure there are sufficient resources and expertise to support delivery of the programme. Taught sessions should be delivered in an identified base room. A range of appropriate audio visual aids are likely to be required for the sessions. Centres must ensure that learners have access to resources that are appropriate for the Level 6 nature of this qualification. Centres may be visited by Signature at any time.

Centre Staffing

Centres should identify a suitably qualified programme manager and delivery team. The members of the delivery team who teach and assess on behalf of the centre should have appropriate qualifications and experience of this field. It is the responsibility of the centre to ensure the team have:

- Competence in the subject matter of the qualification they are delivering
- Qualifications and/or professional experience in the subject they are teaching
- A recognised or relevant teacher qualification

Support provided to learners during the course.

As part of the induction process, learners should be given information about the course content, advice on the assessment methods for this qualification and information on reasonable adjustments. Learners should also be given information on guided learning hours, ongoing support, information on tutorials and the range of teaching materials that will be available to support learning.

Progression routes

A range of professional qualifications and other qualifications at Levels 6 are available for candidates.

UNIT SPECIFICATION

Unit DM601 – Producing and Receiving Deafblind Manual (DM)

ASSESSMENT SPECIFICATION

Please read this specification in conjunction with Signature Assessment Regulations and Signature General Regulations on our website.

This unit is externally and internally assessed.

Assessment

Assessment for this unit will take the form of a portfolio of evidence compiled by the candidate.

The assessment is not held under examination conditions.

The portfolio will be internally assessed. The portfolio will contain:

- a) Written evidence covering all of the knowledge criteria;

- b) Evidence from 3 assignments of 20 minutes each, covering all of the performance criteria and range (see CAR form):

Two assignments must be 'real' interpreted assignments involving at least one deafblind person. One assignment must be simulated – the simulated assignment should be realistic and unrehearsed.

Evidence must include:

- i. Written evidence of preparation for each assignment. This could include notes/comments written by the candidate in the course of preparing for the assignment, notes of telephone calls, briefing notes/materials/information provided by the client, copies of contracts, items for glossary, etc.

- ii. Written evidence of evaluation after each assignment. This could include notes/comments made by the candidate in the course of reflecting on the assignment, written feedback from client and/or peers, personal development plan, etc.

iii. EITHER

An observation by the teacher-assessor of each assignment, along with notes to identify how the criteria were met (required for Quality Assurance checks);

OR

A DVD of each assignment, recording interactions between the interpreter and other key participants, along with the reflective questions to cover performance criteria not met at least once (required for Quality Assurance checks).
