ASSESSMENT SPECIFICATION

Please read this specification in conjunction with Signature Assessment Regulations and Signature General Regulations on our website.

This unit is externally and internally assessed.

Assessment

Assessment for this unit will take the form of a portfolio of evidence compiled by the candidate.

The assessment is not held under examination conditions.

The portfolio will be internally assessed. The portfolio will contain:

- a) Written evidence covering all of the knowledge criteria.
- b) Evidence from 3 assignments of 20 minutes each, covering all of the performance criteria and range (see CAR form):

Two assignments must be 'real' interpreted assignments involving at least one deafblind person. One assignment must be simulated – the simulated assignment should be realistic and unrehearsed.

Evidence must include:

- i. Written evidence of preparation for each assignment. This could include notes/comments written by the candidate in the course of preparing for the assignment, notes of telephone calls, briefing notes/materials/information provided by the client, copies of contracts, items for glossary, etc.
- i. Written evidence of evaluation after each assignment. This could include notes/comments made by the candidate in the course of reflecting on the assignment, written feedback from client and/or peers, personal development plan, etc.

i EITHER

An observation by the teacher-assessor of each assignment, along with notes to identify how the criteria were met (required for Quality Assurance checks);

OR

A DVD of each assignment, recording interactions between the interpreter and other key participants, along with the reflective questions to cover performance criteria not met at least once (required for Quality Assurance checks).
